CERTIFICATE OF SERVICE

This is to certify that Dr. Madan Kandara served as a United Nations Volunteer Pathologist in Lautoka Hospital, Fiji from 12 October 1988 to 11 October 1994.

Dr. Kandara was assigned as a Pathologist to Lautoka Hospital under the UNV project FIJ/88/004 - Assistance to the Health Sector. During his assignment, Dr. Kandara was responsible for the operation of the Pathology department, the training of new staff and the establishment of cytology services in the Western Division of Fiji. Dr. Kandara was responsible for the Histopathology and Cytology sections of the hospital, which he made great contributions to in his six years of service.

Dr. Kandara's work performance was of a consistently high standard throughout his assignment. He has proven himself to be dedicated and motivated, earning the widespread respect of his colleagues and associates at Lautoka Hospital, Fiji.

Yours sincerely,
